

# Spring Term 1 – Keeping safe and managing risk

## Indoors and Outdoors

Key Vocabulary	
safety	Protected from danger
danger	Situation that could cause harm
risk	Situation that could be dangerous
hazards	A danger or risk

Questions to think about ...

What rules keep us safe at home or inside school?

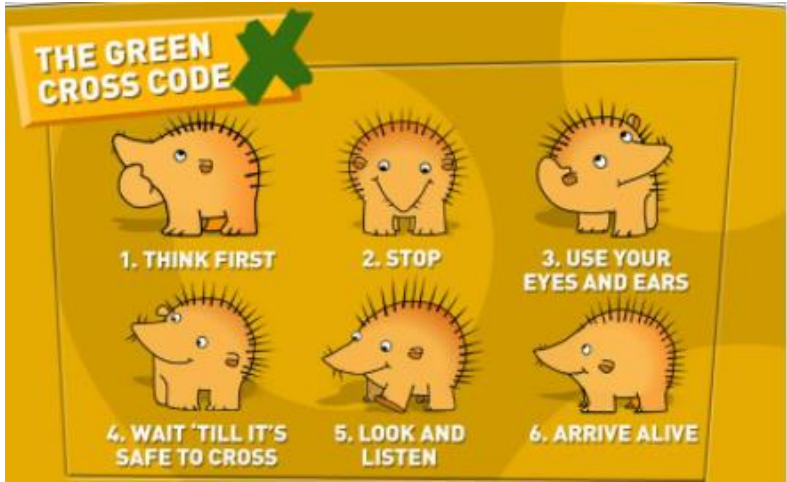

What should I do in an emergency?

Why should I always tell an adult where I am going?

How do I know if a situation is safe?

How do I cross the road safely?

What are the rules for crossing the road?

**Useful Websites:**

Always talk to someone who helps keep you safe, such as a parent, teacher or other adult you trust.

### Books to help with this topic:

Dinosaurs beware – a safety guide, Marc Brown

What we should know and what we should be able to do:

**To learn about keeping safe in the home, including fire safety**

- I know some simple rules for keeping safe indoors, including online
- I can describe what to do if there is an emergency
- I understand that I can take some responsibility for my own safety

**To learn about keeping safe outside**

- I know some rules for keeping safe outside
- I can assess whether a situation is safe or unsafe
- I understand the importance of always telling someone where I am going or playing

**To learn about road safety**

- I can identify hazards in relation to road safety
- I am able to explain how to cross the road safely
- I recognise that there are rules in relation to road safety for all road users
