

# Hazel Class Summer 1 – Why do Christians trust Jesus and **follow** him?

## Prior Learning:

God is a VIP and Jesus, his son, was a very special baby.

Jesus died on a cross.

Jesus told stories to teach people about God's love.

## What should we know?

Christians believe:

- God came into the world in human flesh in the person of Jesus Christ.
- Jesus called twelve 'disciples' (learners) to work with him spreading the news of God's kingdom.
- Jesus is the 'Son of God'. This makes him the world's best ever teacher and leader. Jesus shows people what God is really like.

## What should we be able to do?

*Understand what a disciple is and why they are important in Jesus' work to spread God's word.*

*Talk about the word 'trust' and what it means in our lives.*

*Tell the story of Jesus and the Tax Collector.*

*Explain why they think Christians follow Jesus.*

## What words should we understand and be able to use?

<b>Disciple</b>	A personal follower of Jesus Christ	<b>Trust</b>	Firm belief in the reliability, truth, or ability of someone or something.
-----------------	-------------------------------------	--------------	--
