

## Slindon C.E. Primary School

### Progression in Mathematical Calculations - Addition

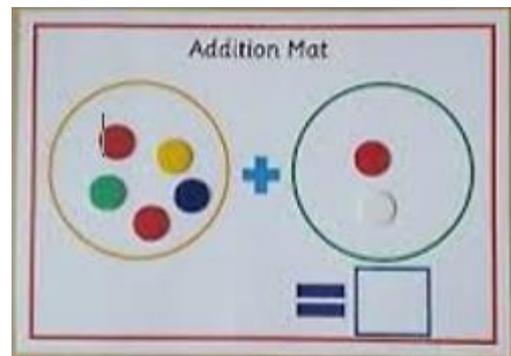

#### Guidance for Parents

In **Reception** the expectation is that children will:

Say which number is one more than a given number.

Using quantities and objects, add two single-digit numbers and count on to find the answer.

**For example:**

#### Useful vocabulary:

add, more, and  
make, sum, total  
altogether  
score  
double  
one more, two more, ten more...  
how many more to make... ?  
how many more is... than... ?  
difference between  
is the same as
