### Questions to think about ...

What influences people to share things online?

Is it ever ok to use violence to resolve arguments?

How does the person who has been hurt feel – immediately and in the long term?

How does the person doing the hurting and threats feel – immediately and in the long term?

What might cause a young person to want to runaway?

### Assessment

- to understand that people can be influenced by things online
- to explain why what you see online might not be trustworthy
- to know when and how to report something that makes you feel unsafe or uncomfortable
- to know what is meant by domestic violence and abuse
- to understand that nobody should experience violence within a relationship
- to know what to do if you experience violence and where to go for help, advice and support
- to understand some of the reasons that might cause a young person to run away or be absent from home
- to identify the potential risks and dangers of running away or going missing
- to know who to talk to if you feel like running away
