At Slindon CofE Primary school we serve our local community and enable our school family to flourish. We recognise that everyone is *Unique* and want to ensure they are able to *Learn and Develop* in a high quality learning environment. We enrich the spirit in an *Enabling Environment*, in which *Positive relationships* foster creativity and curiosity. In hope we encourage our community to shine brightly and be courageous advocates of our world, shaping their futures for the better.

The Fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control; against such things there is no law.

Galatians 50; 22-23

Let Your Light Shine ~ Matthew 5:16

At Slindon C of E Primary School, we follow two year, cyclic plan. Below is the long term plan for Modern Foreign Languages at our school.

					Long Te	rm MFL plan for	2022-2023

### **End of Key Stage 2 National Curriculum Expectations**

### Pupils should be taught to:

- listen attentively to spoken language and show understanding by joining in and responding;
- · explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words;
- engage in conversations; ask and answer questions; express opinions and respond to those of others; seek clarification and help;
- speak in sentences, using familiar vocabulary, phrases and basic language structures;
- develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases;
- present ideas and information orally to a range of audiences;
- read carefully and show understanding of words, phrases and simple writing;
- appreciate stories, songs, poems and rhymes in the language;
- broaden their vocabulary and develop their ability to understand new words that are introduced into familiar written material, including through using a dictionary;
- write phrases from memory, and adapt these to create new sentences, to express ideas clearly;
- describe people, places, things and actions orally and in writing;
- understand basic grammar appropriate to the language being studied, including (where relevant): feminine, masculine and neuter forms and the conjugation of high-frequency verbs; key features and patterns of the language; how to apply these, for instance, to build sentences; and how these differ from or are similar to English.

# MFL Curriculum at Slindon CE Primary School - Intent, Implementation, Impact

## Intent

The French curriculum at Slindon Primary School offers a carefully planned sequence of lessons, ensuring progressive coverage of the skills required by the national curriculum. Our chosen themes - Time Travelling, Let's Visit a French Town and This Is France - provide an introduction to the culture of French-speaking countries and communities. It aims to foster children's curiosity and help deepen their understanding of the world. A linear curriculum has been chosen to allow opportunity for children to gradually build on their skills. French enables children to express their ideas and thoughts in French and provides opportunities to interact and communicate with others both in speech and in writing. At the heart of French is the desire to expose children to authentic French, so the scheme offers regular opportunities to listen to native speakers.

In Lower KS2, children acquire basic skills and understanding of French with a strong emphasis placed on developing their Speaking and Listening skills. These will be embedded and further developed in Upper KS2, alongside Reading and Writing, gradually progressing onto more complex language concepts and greater learner autonomy.

Through our French curriculum, we intend to inspire pupils to develop a love of languages and to expand their horizons to other countries, cultures and people. We aim to help children grow into curious, confident and reflective language learners and to provide them with a foundation that will equip them for further language studies.

## **Implementation**

At Slindon French lessons are sequenced so that prior learning is considered and opportunities for revision of language and grammar are built in.

We plan and adapt lessons and use resources tailored to the children. The aim is to build on prior knowledge alongside the introduction of new skills. A series of lessons provide structure and context as well as offering an insight into the culture of French-speaking countries and communities. The introduction and revision of key vocabulary and grammatical structures is built into each lesson. This vocabulary is then included in display materials and additional resources so that children have opportunities to repeat and revise their learning.

## **Impact**

At Slindon we use a range of resources, including display materials, in order to increase the profile of languages across school. The learning environment is consistent with key French vocabulary displayed, spoken and used by all learners. Whole-school and parental engagement is encouraged through the use of knowledge half-termly knowledge organisers published on the school website. During lessons we also suggest opportunities for wider learning. We want to ensure that French is loved by teachers and pupils across school, therefore encouraging them to embark on further language studies. Impact can also be measured through retrieval practice and key questioning built into lessons, child-led assessment, and summative assessments aimed at targeting next steps in learning.

## **Progression Map**

	LKS2	UKS2
Listening and	KS2 Languages National Curriculum Children listen attentively to spoken language and show understanding by joining in and responding. Children can: a repeat modelled words; b listen and show understanding of single words through physical response; c repeat modelled short phrases; d listen and show understanding of short phrases through physical response.	KS2 Languages National Curriculum Children listen attentively to spoken language and show understanding by joining in and responding. Children can: a listen and show understanding of simple sentences containing familiar words through physical response; b listen and understand the main points from short, spoken material in French; c listen and understand the main points and some detail from short, spoken material in French.

KS2 Languages National Curriculum Children can: a recognise a familiar question and respond with a simple reheased response; b ask and answer a simple and familiar question with a response; c express simple apinions with a simple reheased response; d ask and answer as simple and familiar question with a response; d ask and answer at least two simple and familiar questions with a response; d ask and answer at least two simple and familiar questions with a response.
