Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2025/2026)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
<i>More active break and lunchtime – ensure organised activities to encourage children to participate in sport.</i>	All children have been able to participate at lunch, using the outdoor equipment or taking part in the organised games.	Play leaders and Future Flyers have ensured that the children have a greater awareness of the games they can play and the impact on their body.

<i>To ensure the school playground and playing field are maintained, so inter and intra competitions can be held.</i>	All events were able to take place on a well maintained field. This has also ensured the children have been able to extend their after school clubs, to use the rounders and football pitches.	School achieved the Gold Sports Mark, which highlights the quality and quantity of the games we provide as a school.
<i>To ensure consistency of the magic mile- 3 to 4 times a week.</i>	All classes have been taking part in the Magic Mile.	Data shows that all classes took part at least three times a week. Data across the year highlights that the children increased the number of laps they were able to do in the allotted time.
<i>The school to take part in bike ability in which the children will use the local village to practice their skills and to become proficient cyclists.</i>	Majority of the children took part in bikeability, with all passing at level 2.	

<i>Staff to take part in coaching sessions with Premier sport to develop subject knowledge and progression of skills across the school.</i>	Staff attended a CPD session in netball, which supported the development and progression across the school.	
<i>School to offer swimming to all children in year 1 to year 5, to ensure catch up in swimming.</i>	Children in year 1 to year 5 participated in swimming. All children made progress in line with the schools tracking system.	Insight data shows improvement in the children's swimming and their water safety. Children have commented that they feel more confident in year 6 with water safety. We also used Little Lifesavers to support their development.
<i>School to continue to take part in inter sporting opportunities, so the children can take part in aspects of competitive sport.</i>	School achieved the Gold games mark, due to the variety and nature of sport in place.

<i>To ensure consistency of the magic mile- 3 to 4 times a week.</i>	<i>Teachers Teaching assistants Children</i>	<i>Key indicator 1 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</i> <i>Key indicator 4: Broader experience of sports and activities offered to all pupils</i>	<i>Impact- Children's distances increase over the year (tracking).</i> <i>All classes are going out 3-4 times a week.</i> <i>- Measured through school tracking system.</i>	<i>£0</i>
<i>The school to take part in bike ability in which the children will use the local village to practice their skills and to become proficient cyclists.</i>	<i>Children Bikeability team</i>	<i>Key indicator 1 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</i> <i>Key indicator 2: The profile of PESSPA being raised across the school as a tool for school improvement.</i>	<i>Impact – All children to achieve their level 2 (at least) Bike ability badge.</i> <i>Children are more confident using bicycles on roads and are safe.</i>	<i>£360</i>

		<i>Key indicator 4: Broader experience of sports and activities offered to all pupils</i>		
<i>Staff to take part in coaching sessions with Kick to develop subject knowledge and progression of skills across the school.</i>	<i>Kick Teachers Teaching assistants</i>	<i>Key indicator 2: The profile of PESSPA being raised across the school as a tool for school improvement.</i> <i>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport.</i> <i>Key indicator 4: Broader experience of sports and activities offered to all pupils.</i>	<i>Impact- Children have access to high quality coaching and increased PE opportunities.</i> <i>Staff, particularly ECTs, are able to develop their subject knowledge and skills to support the teaching of PE.</i>	<i>£6000</i>
<i>School to offer swimming to all children in year 1 to year 5, to ensure catch up in swimming.</i>	<i>Arun Leisure Centre Teachers Children Teaching assistants</i>	<i>Key indicator 1 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</i>	<i>Impact – Children in year 3-5 have the opportunity to swim.</i> <i>Water confidence has improved within the year groups.</i> <i>Insight data to show improvements.</i>	<i>£2000</i>

		<i>Key indicator 4: Broader experience of sports and activities offered to all pupils.</i>		
<i>School to continue to take part in inter sporting opportunities, so the children can take part in aspects of competitive sport.</i>	<i>Children Teachers</i>	<i>Key indicator 4: Broader experience of sports and activities offered to all pupils.</i> <i>Key indicator 5: Increased participation in competitive sport</i>	<i>Children participate in more competitive sport.</i> <i>All of the children in year 1-6 have had the opportunity to take part in competitive sport this year.</i>	<i>£500</i>

Key achievements 2026-2027

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	62.5%	
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	50%	

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	50%	.
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No
