

Autumn 2022

Acorns Take-Away Task

This term our topic is 'Exploring Scandinavia'. Scandinavia is a region in Europe, and is made up of three countries – Denmark, Norway and Sweden. Your chosen task will require research into Scandinavian countries and should demonstrate your knowledge and creativity.

For your take away task this term you could choose one of the following:

- ★ Design and write a postcard from a Scandinavian country – you must write about part of the country you visited and what you have done on your trip. This task will require research into a Scandinavian country.

Get today's weather forecast for your location on the computer and record it here.

Weather Forecast

Make weather forecasts: <https://www.bbc.com/weather/forecasts>

- ★ Write a weather report about the weather and climate of a Scandinavian country – you could include images and charts.

- ★ Create a fact file about a Scandinavian country – include – population, food, weather, and tell me some more interesting facts you find out!

- ★ Or you could do some baking and making based on Scandinavia.

Please return your work to Miss Heater by Monday 17th October 2022.
